I know, I just want to extend my hand out to be invited rather than just make it sound like we're coming in. I'm going to hold off emailing staff until after we meet with them.

Titan 101 Members,

Last week when we all were at the staff meeting for the discussion of guidance services at Gunn, there was strong support for bolstering Titan 101. Yesterday, at our first breakout meeting of staff members to discuss guidance services, there was a consensus on supporting Titan 101 and talking a look at what has worked well and where there are areas for growth.

Trinity and I would like to join your next brown bag meeting to discuss what we have learned this year from Titan 101 and see how we can all make it a more robust program for Gunn next year.

Let us know the time and location of your next meeting and we'll see you there.

Sincerely,

Tom Jacoubowsky
